## SPONSORSHIP OPPORTUNITIES

*Join us as we welcome our 2019 incoming Scholars, celebrate our continuing Scholars, and congratulate our recent graduates!*

### About the ABRAMSON SCHOLARSHIP FOUNDATION

The Abramson Scholarship Foundation, 501(c)(3) tax-exempt non-profit organization, supports promising D.C. public high school graduates attending four-year colleges by providing critical mentoring and financial support. Founded in 1991 in memory of Frederick B. Abramson, a distinguished member of the Washington legal community with a deep commitment to giving back to his community, the Foundation has helped nearly 300 underprivileged D.C. youth access and complete college.

The barriers for low-income students to access and graduate from college are significant. Less than half of students who graduate from D.C.'s public high schools end up graduating from college within six years. Students who start but fail to graduate are left with burdensome school loans and no college degree. The Abramson Scholarship Foundation works to prevent that outcome, one Scholar at a time.
