

# 2024 Scholar Reception SPONSORSHIP OPPORTUNITIES

*Join us as we welcome our 2024 incoming Scholars, celebrate our continuing Scholars, and congratulate our recent graduates!*

## About THE ABRAMSON SCHOLARSHIP FOUNDATION

The Abramson Scholarship Foundation, a 501(c)(3) tax-exempt non-profit organization, supports talented D.C. public high school graduates attending four-year colleges by providing comprehensive mentoring and critical financial support. Founded in 1991 in memory of Frederick B. Abramson, a distinguished member of the Washington legal community with a deep commitment to giving back to his community, the Foundation has helped more than 300 D.C. public high school graduates access and complete college.

Less than half of students who graduate from D.C.'s public high schools end up graduating from college within six years. Students who start but fail to graduate are left with burdensome school loans and no college degree. The Abramson Scholarship Foundation works to prevent that outcome, one Scholar at a time.

## Why Sponsor?

- **Invest in D.C.'s young people:** Enable talented D.C. public high school graduates to succeed in college and beyond.
- **Build community:** ASF fosters critical relationships between mentors, Scholars, and Board members that make our city stronger.
- **Make a sound investment:** For more than 30 years, ASF has supported D.C. Scholars. We have over 340 Scholar alumni who let us know that our model works. 83% of our Scholars have earned a college degree.
- **Receive Recognition:** Get recognized for your commitment to giving back to our community.
